Retirement News!

We would like to congratulate our longtime employee **Debbie Ray** on her recent retirement! Debbie first began her career with Chestnut Credit Union in 1998. She has been the happiest, most consistent face on our teller line for many years and her love of our members and her co-workers has always been evident. Her sense of humor and silly antics are the very best part of her, they are also the reason we have enjoyed her so much. She will forever be a member of our credit union family. It is our pleasure to say that she will now be able to fully enjoy her many grandchildren and lots of days at the beach with the people she loves most. We will miss all the fun she brings to us but we are elated that she is able to begin this next chapter, enjoying some well-deserved time with her family. Congratulations Debbie, we will miss you!

Annual Community Blood Drive a Success!

On May 19, Winslow Community Federal Credit Union sponsored our annual community blood drive at Winslow Parks and Recreation in collaboration with the American Red Cross.

We are proud to announce that we were able to collect 39 pints from 38 donors, including 7 first-timers! Since each pint is separated into three products — red cells, platelets, and plasma — the amount we collected will save up to 117 lives! Thank you all for your attendance. Your time and your contribution was appreciated!

If you were unable to attend but would like to donate in the future, visit their website at www.redcrossblood.org to find a drive near you.
