

## We Have Successfully Completed Our Legal Merger!

The legal date of our member approved partnership and merger between Connected Credit Union and Winslow Community Federal Credit Union was approved and finalized on June 27, 2020. Operational integration will occur gradually over the next year. We anticipate combining our computer data systems, effective February 1, 2021. Our Winslow members with accounts that are affected will be contacted well in advance of the transition and it is our goal to minimize the impact any changes will have on you and how you currently manage your finances. As we get closer to important dates, we will send additional communication to keep you informed. We appreciate the confidence both memberships have placed in us as we look ahead to continued growth and prosperity.

## CATC School Branch

For the health and safety of students and staff, Connected Credit Union has postponed the 2020 opening of our school branch located on the campus of Cony High School and The Capital Area Technical Center. Look for updates on our website in the coming weeks.

## International Credit Union Day

On October 15, 2020 Credit Unions and members around the world will celebrate this annual event to commemorate the credit union movement's impact and achievements. Since 1948, ICU Day has been celebrated annually on the third Thursday of October. This year's theme, *Inspiring Hope for a Global Community* reminds us that Credit Unions are inspired every day by the stories of our members who are committed to helping in their communities, generously supporting their friends and neighbors. We believe in the philosophy of *people helping people* and we are proud to be serving those living and working in Kennebec, Somerset, Waldo and Lincoln Counties.

## Stay Safe, Stay Healthy

As we approach cold and flu season, our lobbies and drive-up remain open for business Monday through Friday at both our Augusta and Winslow locations. A mask is required if you are visiting our lobby. Lobby visits are limited to check cashing, withdrawing funds and depositing funds. If you need to meet with a Member Service Representative for something other than these transactions, we kindly ask that you make an appointment. Our Card Services Department and our Loan Team are eager to assist you in the most efficient way possible. Keeping our staff and members healthy is our top priority. We look forward to serving you, in a way that keeps both members and staff healthy as we navigate the cold and flu season.
