Community Outreach

It was an evening of networking and fun at our KV Chamber Business after hours event. Burgess Technologies was on hand as our co-sponsor for the evening. Guests from area businesses enjoyed an evening with local food vendors and door prizes. Connected Credit Union presented a check for more than \$6300.00 to various local food agencies. Thank you to our members for their ongoing support of our Ending Hunger Campaign, together we are making a difference in our communities!
